2024 Kooky Cookie Cutter Challenge

Competitors entering the Kooky Cookie Cutter Challenge will receive a cookie cutter. A different cutter will be selected for each skill level based on degree of difficulty. The challenge is to showcase different ways to decorate a cookie based on one cut-out shape. Each entry must include at least six (6) cookies that each have a unique decorating design. Extra points will be awarded for each additional design included (up to 12 cookies in total). Cookies may be decorated in buttercream, royal icing, chocolate, or any combination. The cookies will be judged based on appearance only however, all ingredients and decorations used must be edible.
